Dred-Scott v.s. Sanford Justice Taney (1857)

- U.S. Supreme Court Decided "Negroes could Never Be Citizens of the U.S."

- Basically Status of "Negroes, Blacks, Colored, or African American has NO Right That True Citizen are Bound To Respect. "All Persons" Born (14th Amend.) are still 3/5 of a Person Still. (Those Statuses are all Minors.)

Federal Questions

1- How The Word "Black" can Find no Formal Place within the Nationalities of the Human Family and still can be made "Citizen" of any Free National and Constitutional Government?

2- What Branch of law Authorizes the states to apply abolished Slave labels to any person, of African Descent, After 1865?

3- Are Blacks "Slaves" or otherwise "Persons" as used in the 14th Amendment and How can they be made 1st class citizens without their inalienable Free National Descendant name of their Forefathers?

4- As For Blacks with criminal records, what crimes can "Property" possibly commit which it's Owner The Slave Master, is not Accountable for in a court of law? IF ONE Can Produce a Black Slave - Same one Must also produce its Slave Owner?

5- Is This an Article 3 Court or Article 5 court?

Persuant to The Following 1/13/22
